One great example of Kerry's determination and love for Hollywood is the slightly out of breath call I received when she was in hot pursuit of the tree vandal. I had to warn her not to go hands on and to wait for us to get there as she followed him into the Metro!

> As some of you may know, next Tuesday, November 17 is Kerry's 60th Birthday, and instead of us signing a generic  
card and writing "Happy Birthday", I am making a Birthday Jar that will be given to her at our Annual Board Meeting on  
Thursday, November 19. The Jar will contain messages such as memorable moments, funny situations or experiences  
you've shared with Kerry, or sentiments about her. With certainty, she will enjoy reading the array of our reflections,  
therefore, can you please compose two or three separate short messages of a sentence or two, and send them to me via  
email no later than 5:00 p.m. this Friday? FYI - these messages will be anonymous.
